

BASALT MOSAIC 1" HEXAGON TILE

Item SKU#: PT-BM-H1

Description:

Cut and honed basalt pieces are used to create our 1" Hexagon Basalt Mosaic Tile. Each piece is cut for a uniform height and size then adhered to a mesh backing for easy installation. Our unique interlocking system gives the appearance that each piece is hand set.

Dimensions: 11" x 11-1/2"

Pebble Size: 1"

Pebble Thickness: 11mm

Installation: See Instructions
