

CHISELED BASALT & GRANITE LIGHTS

SKUs: Basalt – B-L-CH123 and B-L-CH-124

Granite – G-L-CS12B-36 and G-L-CS12B-48

Description: We make these modern looking landscape lights by hand chiseling basalt and granite columns. Ideal as pathway lights, bollard lights, and all-around landscape lighting for both residential and commercial projects.

Color: Chiseled basalt is dark gray, while salt and pepper granite is light with dark speckles and flecks of quartz.

Diameter: 12" square.

Height: Available in 36" and 48" heights. Custom heights available as well.

Weight: ~150 lbs per linear foot
