

## FLAMED BASALT HEX PAVERS

SKUs: B-P-HX-1018-FLAME – 1-1/2" x ~14"-18"

B-P-HX-1824-FLAME-1-1/2" x ~20"-24"

Description: Flamed basalt hex pavers are a unique alternative to traditional flagstone pavers. With plenty of grip and texture provided during our flaming process, these pavers are versatile and suitable for use in many different exterior locations.

Color: Dark grey, charcoal with natural crust on sides. Crust is tan to red.

Weight: ~24 pounds per square foot
