

POLISHED BASALT COLUMN BENCH

SKUs: B-B-CO

Product Name: Polished Basalt Column Bench

Description: We take a large Basalt column and slice the top off, then polish the entire top surface to a deep black luster. The contrast between the natural crust on the column and the black polished interior makes for a stunning site-furnishing.

Available Sizes: 18" tall x ~20" wide x 72". Custom sizing available.

Color: Deep black polished top with tan to rusty colored natural crust sides.

Weight: A 6' bench will weigh approximately 3500 lbs
