

## BASALT MOSAIC RANDOM STACK TILE

Item SKU#: PT-BM-R2

Description:

Cut and honed basalt pieces are used to create our Random Stack Basalt Mosaic Tile. Each piece is cut to a uniform height and size then adhered to a mesh backing for easy installation. Our unique interlocking system gives the appearance that each piece is hand set.

Dimensions: 12" X 12"

Pebble Size: Varies

Pebble Thickness: 8mm

Installation: See Instructions
